

## ONE GOD

Millions of stars placed in the skies by One God  
Millions of us raise up our eyes to One God  
So many children calling to him  
By many a different name... One Father  
Loving each the same.

Many the ways all of us pray to One God  
Many the path winding their way to One God  
Brothers and Sisters there are no strangers  
After his work is done  
For your God and my God ;are One!

By many a different name... One Mother  
Loving each the same.

Many the ways all of us pray to One God  
Many the path winding their way to One God
