

LOVE IS ALL

**Everybody's got to live together
All the people got to understand
Love your neighbor like you love your brother
Come on and join the band
All you need is love and understanding**

**Ring the bell and let the people know
We 're so happy and celebrating**

Love is all you need

**Ain't you happy we're all together
At the ball in nature's countryside
And although we're wearing different faces
Nobody wants to hide**

Love is all you need

**All you need is love and understanding
Ring the bell and let the people know**

**So you love your neighbor as you love your brother
Let your feelings show**

Love is all you need!
